Candidates for the post of Executive Member

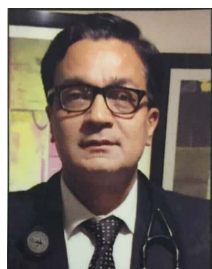

Dharshan Rangaswamy
MD (Pediatrics), DM (Nephrology)
ISN Scholar (Multi-organ transplant)
RACP approved Fellowship in
Pediatric Nephrology (Sydney)
Additional Professor
In-Charge, Division of Pediatric
Nephrology
Department of Nephrology
Kasturba Medical College
Manipal (Udupi), India

Dear seniors and colleagues,

I have been working at the Kasturba Hospital and Medical College for last 9 years across various positions. As an Additional Professor at the Department of Nephrology and Renal Transplant Sciences, Manipal Academy of Higher Education, Manipal, Udupi, Karnataka, I am involved in teaching program for D.M. Nephrology, PhD, BSc and MSc (RRT & DT) trainees at my university and conduct public awareness programs involving kidney health.

After completing my Nephrology training from SGPGI, Lucknow, I got trained as a multi-organ transplant scholar under ISN fellowship program at Westmead Hospital, Sydney under Prof. Jeremy Chapman. I further persuaded my academic career and got trained in the sub-specialty of Pediatric Nephrology at Sydney Childrens Hospital. I have been awarded both intra-mural and extra-mural grants for my research work. I have 40 Indexed publications to my credit in International and National Journals, authored chapters in textbook and have keen interest in glomerular disease and Acute Kidney Injury. Being involved in education, research and clinical work, I believe I can help Indian Society of Nephrology to further grow and achieve its goals.
