KIDNEY TRANSPLANT UPDATE

A Practical Approach 2024

Theme:

Issues in Living Donor Kidney Transplantation | Pre and Post Transplant Malignancy

16th - 17th March 2024

Venue: The Leela Ambience, Gurugram

Organised by: Save Kidney Foundation

INVITATION

KIDNEY TRANSPLANT UPDATE 2024
A Practical Approach

Dear Colleagues,

Greetings from Medanta- Medicity, Gurugram!

I am pleased to announce the **8th Kidney Transplant Update- A Practical Approach to be held at, Hotel Leela Ambience, Gurugram from 16th-17th March 2024.**

The Kidney Transplant Update was started in 2014 with the aim of providing a platform for discussion and a practical approach to managing kidney Transplant patients by engaging faculty and delegates. For the last few years, we have been doing theme-based meetings to focus on the specific aspects of Kidney Transplantation, so we can cover important issues in kidney transplantation in detail.

India is currently 3rd in the World in overall Transplantation after the US and China, however, India is probably first in Living donor Kidney Transplantation in the World as approximately 10,000 Living donor kidney transplants were performed in India in 2022, out of which 90% of all kidney transplants were from living donors. On the contrary, there is still a lot of uncertainty about many aspects of living kidney donors e.g.marginal donors, donors with prediabetes, diabetes, elderly, cardiovascular diseases etc. Malignancy before and after kidney transplantation is another area, which is often neglected in Indian scenario, one reason could be that patients were not living so long and many of us feel that malignancy is not a big problem in the context of India, but now with increasing transplant activity and increase longevity, intense immunosuppression, the incidence of post-transplant malignancy is increasing in India.

The theme of this year is – **Issues in Living Donor Kidney Transplantation and Pre and Post Transplant Malignancy** where we will have national and international experts to discuss them.

Our international faculty this year are-

1. Prof Jeremy Chapman does not need any introduction to the Indian nephrologist. Dr Jeremy is the chief Editor of Transplantation and an authority in transplant malignancy.
2. Dr Dorry Segev has pioneering work on many aspects of transplantation including complex and extreme living kidney donation and developed the kidney donor profile index.
3. Dr Kaseem Safa who is the Director of Living donor kidney transplantation at Harvard Medical School and Massachusetts General Hospital, Boston.

As always we will begin our meeting at Lunch on 16th March i.e. 2 pm and it shall culminate by 2 pm on 17th March. It helps our busy nephrologists to only take one day time out of their busy schedule and help them in a long way to provide better care for their patients.

We also invite you to send your interesting cases, on these topics, the selected cases will be given an opportunity to present before the panel of experts, which will generate good discussion and help everyone to improve their skills. You can email your cases at drshyambansal@gmail.com.

As always, we have kept the registration fee at discounted rates of Rs 7000/- only for delegates and 3500 for the DM/DNB students. For those who want accommodation, there are limited rooms available at discounted rates in the brochure, which will be first cum basis. You can also register yourself on our website. i.e. www.transplantupdate.com

Looking forward to seeing you

Best Regards,

Dr Shyam B Bansal
Organising Chairman

Dr Dinesh Yadav
Organising Secretary

CONFERENCE HIGHLIGHTS

KIDNEY TRANSPLANT UPDATE 2024
A Practical Approach

- Screening for malignancy & Criteria for acceptance of donors & recipients
- Can a patient with cardiovascular disease become a living kidney donor?
- Discussion on living Kidney donation in- prediabetes, diabetes, hypertension, obesity
- Essential genetic testing for a living donor candidate
- Robotic Kidney Transplantation
- Living donor risk prediction using big data
- Biomarkers of Rejection
- Kidney stones in a living kidney prospective donor
- Post-transplant malignancy- screening and management
- Challenging Cases in Kidney Transplantation
- Use of sGLT-2 inhibitors, & selective mineralocorticoid receptor antagonists post kidney transplant

ORGANISING TEAM

Dr Vijay Kher
Patron

Dr. Shyam B Bansal

Dr. Ankur Mittal

Dr. P N Gupta

Dr. Salil Jain

Dr. Anurag Gupta

REGISTRATION DETAILS

	Till 31st Jan 2024		1st Feb - 12th March		On-spot	
Registration Type	**Delegate**	**Student**	**Delegate**	**Student**	**Delegate**	**Student**
Residential Package						
Single Occupancy The Leela Ambience	₹ 20000	₹ 16500	₹ 21000	₹ 17000	₹ 22000	₹ 17500
Double Occupancy The Leela Ambience	₹ 21500	₹ 18000	₹ 22500	₹ 18500	₹ 23500	₹ 19000
Non Residential Package	₹ 7000	₹ 3500	₹ 8000	₹ 4000	₹ 9000	₹ 4500
International Participants	$ 100	$ 50	$ 125	$ 75	$ 150	$ 100

Extra Per Night*:

- Hotel Leela Ambience ₹13000 **(SGL)**, ₹14500 **(DBL)**

*The above cost is inclusive of GST

Residential Packages includes the following:

- Rooms at venue hotel for 1 night (Check-in on 16th March 2024 & check-out 17th March 2024)
- Breakfast on 17th March at the venue
- 2 Days i.e on 16th - 17th March 2024 conference lunch with 2 time Tea and Coffee at the venue
- Dinner on 16th March 2024
- Conference registration Kit

Non Residential packages includes the followings:

- 2 Days i.e on 16th-17th March 2024 conference lunch with 2 time Tea and Coffee at the venue
- Dinner on 16th March 2024
- Conference registration kit

Cancellation Policy:

1. Cancellation till 31st Jan 2024, 50% of registration charges will be deducted.
2. No Cancellation or refund after 31st Jan 2024.

KIDNEY TRANSPLANT UPDATE

A Practical Approach 2024

Theme:

Issues in Living Donor Kidney Transplantation | Pre and Post Transplant Malignancy

Date: 16th & 17th March 2024 | Venue: The Leela Ambience, Gurugram

SCIENTIFIC PROGRAMME

Day-1, 16th March 2024, Saturday			
Time	**Topic**	**Speaker/Moderator**	**Chairpersons/Panelists**
2:00 - 2:40 PM (30+10 Mins)	Screening for malignancy and Criteria for acceptance of donors and recipients in pre-transplant assessment	Vijay Kher	Vinoi G. David Urmila Anandh
2:40 - 3:20 PM (30+10 Mins)	Living donor risk prediction using big data	Vikram Kalra	Ashwini Gupta Abi Abraham Dharmendra Bhadauria
3:20 - 4:00 PM (30+10 Mins)	Recent developments in Biomarkers of Rejection	Dinesh Khullar	Sanjiv Saxena Manish Jain Debabrata Mukherjee
4:00 - 4:30 PM	Cardiovascular disease in a living kidney prospective donor	Rahul Mehrotra	AS Narula Raja Ramchandran Reetesh Sharma
4.30-5.00 PM	Tea Break		
5:00 - 5:45 (10 + 5 * 3 Mins)	Interesting case in Transplant - 3	Jasmine Sethi Jeethu Joseph Sakthi S	Vinay Sakhuja Sanjeev Gulati Manish Balwani
5:45 - 6:15 PM	Kidney stones in a living kidney prospective donor	Anil Mandhani	Anil Bhalla Dushyant Nadar Avula Srinivas
6:15 - 6:45 PM	The extreme living donation followed by a panel discussion	Dorry Segev	
PANEL DISCUSSION			
TIME	**TOPIC**	**MODERATOR**	**PANELIST**
6:45 - 7:30 PM	Medical issues in living donors	Sishir Gang	Manju Agarwal
	1. Obesity and Living Kidney Donation		Dorry Segev
	2. Transplantation from elderly donors		Kaseem Safa
	3. Prediabetes and diabetes in a living kidney prospective donor		Anant Kumar
	4. Hypertension and living kidney donation		S Vishwanath
			Bharat Shah
			Sandip Mahajan
Dinner 8:00 PM onwards			

KIDNEY TRANSPLANT UPDATE

A Practical Approach 2024

Theme:

Issues in Living Donor Kidney Transplantation | Pre and Post Transplant Malignancy

Date: 16th & 17th March 2024 | Venue: The Leela Ambience, Gurugram

SCIENTIFIC PROGRAMME

Day 2, 17th March 2024, Sunday			
Time	**Topic**	**Speaker/Moderator**	**Chairpersons/Panelists**
8:30 - 9:10 AM (30+10 Mins)	Post-Transplant malignancy- Overview	P P Varma	Vivekanand Jha Subba Rao
9:10 - 9:40 AM (20+10 Mins)	Post-Transplant Lymphoproliferative Disorder- Management	Manju Senger	Dipankar Bhowmik Anurag Gupta Manoj Arora
9:40 - 10:10 AM (20+10 Mins)	Essential genetic testing for living donor candidate	Satish Balan	D S Rana Shivendra Singh Prashant Kedilya
10:10-10:40 AM (10+5 Mins)*2	Interesting case in Transplant- 2	Pooja Lokur J Mayyappan	Siddhartha Baithani Vinay Malhotra Om Kumar
10:40 - 11:00 AM	Tea Break		
11:00 - 11:20 AM	Transplant Genetics case studies-Shades of Grey	Suceena Alexander	Praveen Kumar Etta Deshraj Gurjar Arvind Kanchi
PANEL DISCUSSION			
TIME	**TOPIC**	**MODERATOR**	**PANELIST**
11:20 - 11:50 AM	Ethics in Living Donor Kidney Transplantation	N Gopalakrishnan	Jeremy Chapman R K Sharma Alan Almeida Arup Datta Sampath Kumar
Time	**Topic**	**Speaker/Moderator**	**Chairpersons/Panelists**
11:50 - 12:20 PM (20+10 Mins)	Cysts in living kidney prospective donor and Recipient	Aneesh Srivastava	Dinesh Khullar Prasoon Ghosh Jitendra Kumar
12:20 - 12.50 PM (20+10 Mins)	Robotic Kidney Transplantation	Rajesh Ahlawat	Sanjiv Jasuja Raka Kaushal Vijay Sinha
12:50 - 1:25 PM	Use of sGLT-2 inhibitors, and selective mineralocorticoid receptor antagonists post kidney transplant	Kassem Safa	Edwin Fernando Arghya Majumdar Narayan Prasad
Vote of Thanks Followed by Lunch
