Announcement: ISN Post-Doctoral Fellowship

Dear Members,

Greetings from the Indian Society of Nephrology (ISN) Secretariat!

It gives us great pleasure to announce the **ISN Post-Doctoral Fellowship Program**, designed to enhance specialized training in Nephrology and bridge gaps that may remain after DM (Nephrology) or DrNB (Nephrology) training.

About the ISN Post-Doctoral Fellowship

Background
During DM or DrNB training, the exposure to certain subspecialties in Nephrology may vary depending on institutional strengths. The ISN Post-Doctoral Fellowship Program has been created to provide focused, hands-on experience in key areas of Nephrology under expert mentorship.

Fellowship Areas and Duration

Fellowship Area	Duration
Transplantation	6 months
Interventional Nephrology	6 months
Paediatric Nephrology	6 months
Clinical Nephrology / Hemodialysis Technology	3 months
CAPD	3 months
Critical Care Nephrology (including POCUS)	6 months
